Additional Information

Prices do not include applicable North Carolina sales tax or shipping (\$25 domestic, \$75 international).

Each album can take up to 8 weeks to be designed and delivered.

Albums are custom-designed and non-refundable once delivered.

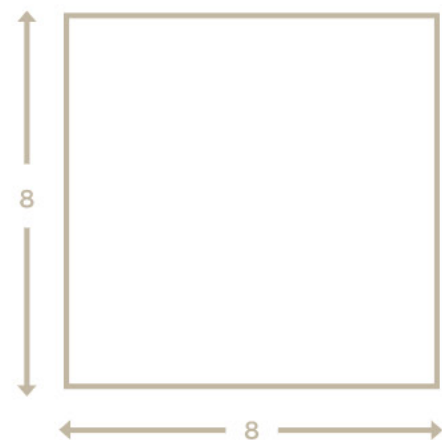

A single spread is defined as 2 open pages facing each other.

I recommend no more than 30 images for each 10-spread/20-page album.

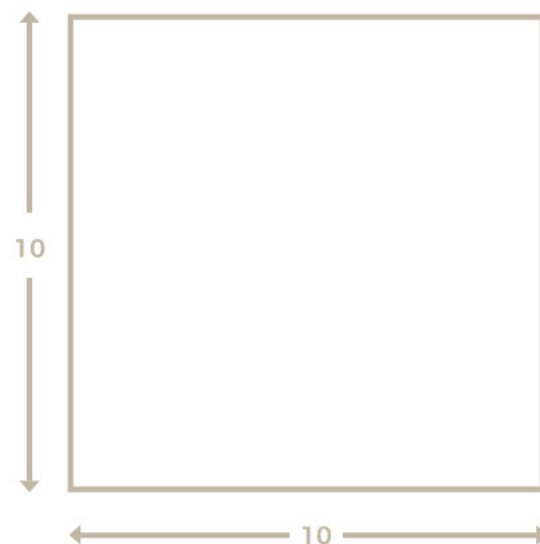

Albums may only include images taken by Emily March Photography.

Each album includes 2 complimentary revisions during the design process. Additional revisions are \$15 each.

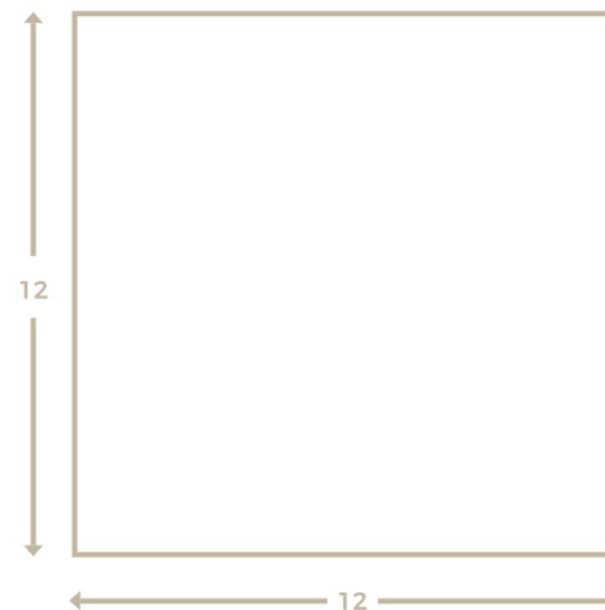

Choosing Your Album Size

8: Most popular book for parent albums and senior portraits.

10: Perfect for all occasions. And just the right size, too.

12: For maximum impact. Feature your photography spectacularly.

Ordering

If you'd like to have your own heirloom album, please begin by filling out the order form provided. Once your order is placed, I'll invoice you for the total amount due. At this time, I only accept checks or Venmo payments.

After your payment has been received, I'll get to work designing your album! You can either select the images to be included or I can. Once I'm finished, I'll email you a link where you'll be able to preview your album.

If you'd like any revisions, just let me know, and I'll make them. If you love the way it looks, I'll send it to press. If you'd like a few more changes, then you can use your second complimentary revision.

Once your album arrives to me, I'll check it for quality, and then send it your way!

If you have any questions, feel free to email me at emilymarchphoto@gmail.com.
